

**Upper Santa Margarita Watershed Integrated  
Regional Water Management  
Planning Grant Proposal**  
*AB 1420 and Water Meter Compliance*

Attachment 7 consists of the following items:

✓ **AB 1420 Self Certification Statement**

The Rancho California Water District, who will be receiving the proposed Planning Grant funding, completed and submitted AB 1420 Self-Certification tables in March 2011. The District received a DWR compliance letter on April 20, 2011. There are no updates or changes to the AB 1420 tables since that time.

✓ **Water Meter Compliance Certification Form**

The Rancho California Water District has completed and submitted the self certification form for compliance with water metering requirements for funding applications.

---

The Rancho California Water District, who is an urban water supplier, has provided the required documentation of compliance with AB 1420 (CWC §10631.5) and water meter implementation (CWC §525 *et seq.*) requirements. One original hard copy of the Water Meter Compliance Certification form was submitted in a separate envelope.
